

20 Valley Road, Minneapolis, MN 55401

Discharge Report

Patient:	Helga Krause
Date of Birth:	04/25/1944
Admission Date:	06/10/2024
Discharge Date:	06/19/2024
Attending Physician:	Dr. Stefan Weiß, MD

Dear Colleague,

Ms. Helga Krause was admitted for elective implantation of a cementless total hip replacement on the right side. The procedure was uneventful. Mobilization proceeded satisfactorily.

Primary Diagnosis: Primary osteoarthritis of hip (M16.1)

Ms. Krause was transferred to inpatient rehabilitation on 06/19/2024.

Dr. Stefan Weiß, MD

Chief of Orthopedics
