Discharge Summary

Patient: Hans-Jürgen Möller

Date of Birth: 02/17/1950

Admission Date: 07/08/2024

Discharge Date: 07/16/2024

Attending Physician: Dr. Carsten Braun, MD

Dear Colleagues,

We are writing to report on Mr. Hans-Jürgen Möller admitted July 8 to July 16, 2024 for video-assisted thoracoscopic lobectomy of the right upper lobe. Pre-operative staging confirmed tumor classification T2 N0 M0.

Primary Diagnosis: Non-small cell lung carcinoma (C34.1) — Tumor staging: T2 N0 M0

The perioperative course was uncomplicated. Follow-up in our thoracic tumor clinic in 6 weeks is recommended.

Dr. Carsten Braun, MD

Senior Physician, Thoracic Surgery
