Discharge Letter

Patient:	Wolfgang Braun
Date of Birth:	07/12/1948
Admission Date:	04/10/2024
Discharge Date:	04/17/2024
Attending Physician:	Dr. Frank Weber, MD

Mr. Wolfgang Braun, DOB 07/12/1948, was admitted for robotic-assisted radical prostatectomy. PSA had risen to 8.4 ng/mL. Biopsy confirmed adenocarcinoma, Gleason 3+4.

Primary Diagnosis: Prostate carcinoma (C61) — Tumor staging: T3a N0 M0

The procedure was performed without complications. Catheter removed on day 5, patient voided satisfactorily. Discharged on 04/17/2024. Urological follow-up in 6 weeks with PSA measurement recommended.

Dr. Frank Weber, MD

Senior Urologist
